

HAWL MEMORIAL TREE FUND

The Memorial Tree Fund allows for the planting of trees at strategic locations throughout HAWL. Through contributions, someone dear can be honored or remembered with a beautiful tree for many years to come.

A committee of residents and one board member was formed to manage this program. The committee members are dedicated to making HAWL a more beautiful community for residents and visitors to enjoy. Initially, the major project will be to provide shade for the playgrounds.

Funding for the trees is through private contributions. A single contribution or a combination of contributions totaling \$25 will dedicate a newly-planted tree in honor or memory of your designee, or in the case of multiple contributions, all of the designees. Contributions will not only help you take part in keeping HAWL beautiful, but also to remember someone you love and respect.

Thank you for your help in making HAWL a more beautiful community in which to live. To make a contribution, complete the form below.
